EXHIBIT A

TERMS AND CONDITIONS

1. The easement (a) is restricted to use solely for a public highway crossing and (b) is subject to any and all easements and rights-of-way whether or not of record.
2. Grantee will not make any special assessments against Grantor for sidewalks, curbs, gutters, roadways, paving, or similar improvements, snow or vegetation removal, or for water, sewers or utilities, now or hereafter installed in connection with the easement. By specifying a list of items for which Grantee may not assess Grantor, Grantor makes no admission or concession that construction of these items are allowable under the easement.
3. Except as provided for in § 86.13 of the Wisconsin Statutes, or relevant provisions of a separate agreement or stipulation between Grantor and Grantee related to the easement, Grantee shall be responsible for all costs of installation, repair, and renewal of its facilities on the easement.
4. The easement shall terminate at such time as the Parcel shall no longer be used for, or is incapable of being used for, the purpose for which the easement was granted.
5. Grantor shall notify Grantee if any facility at the crossing causes a continuing hazard to railroad operations. If the hazard is caused by the Grantee and is not allowable under the grant of easement or the law, then Grantee, at Grantee's sole cost, shall make such repairs or changes in the facility as Grantor's chief engineer shall reasonably deem necessary, unless applicable law directs that such changes or repairs are the responsibility of the Grantor.
6. Pursuant to section 86.16, of the Wisconsin Statutes, Grantee may consent to allow placement or may be required to allow placement of utility lines in connection with this easement, but Grantor reserves all rights it may have to assert the preemptive effect of federal over state law. Notwithstanding the previous sentence, Grantee shall do nothing to restrict the use of the Parcel for railroad purposes.
7. Grantor does not warrant title to the Parcel.
